

THE REMNANT

FROM THE WEB:

“Who Did Cain Marry?”

One of the most oft-repeated accusations against the word of God is found in this question, “Who did Cain marry?”

The accusation goes like this:

1. Cain got married.
2. There were no women other than close relatives to marry.
3. Cain could only have married a close relative.
4. This would be “incest”.
5. This proves the Bible HAS to be in error, contradicting laws against such incest.

The answer is simple. Cain was a liar and a murderer!! For Cain to marry a close relative was HARDLY a stretch. If he could kill his own brother, don't you think he would have little problem marrying a close relative, IF such were against the law?? He may even have forced marriage on an unsuspecting young lady. Would rape or forced marriage be too hard to imagine, coming from humanity's first murderer??

Even beyond this possibility, the fact is that if Cain “turned over a new leaf” and wanted to be honorable, he could have married a niece or even a cousin. As a matter of fact, in a day when men typically lived to be 900 years old, Cain could have mar-

BLESSED IS THE MAN THAT WALKETH NOT IN THE COUNSEL OF THE UNGODLY

Those aren't my words. They are the words given to King David by the Holy Spirit as we read in the first Psalm, first verse.

What does this mean? It means, if you want to be blessed then you will not seek nor follow the “counsel of the ungodly”.

Who is the ungodly? (Here is where we get accused of being mean-spirited and bigoted!) The ungodly is ANYONE who teaches ANYTHING that is not in line with God's word. And that includes professing **CHRISTIANS**.

For example, when someone says, “Preach the Gospel and, if necessary, use words.” You are dealing with a cute “Christian” philosopher who is more in tune with monks and mystics than with the word of God. When the Bible says, “Preach the Gospel to every

creature,” (Mark 16:15), it means USE WORDS.

Now, of course, you should live like a Christian ought to live and if you don't you will make your words of no effect. It may even be a truism that, “people don't care what you know until they know that you care.” But as you show your genuine concern for their soul and well-being, you had better PREACH THE GOSPEL. And you had better USE WORDS.

The professing Church is filled with this same sort of nonsense on many fronts. The entire “Purpose Driven” movement is based upon Rick Warren's repackaging of Robert Schuler's old heresy that he called, “Possibility Thinking”. And Schuler repackaged the “Power of Positive Thinking,” that his old apostate friend Norman Vincent Peale had taken from Dale Carnegie's, “How To Win Friends and Influ-

ence People.”

Trace it back long enough and you'll get to the original “possibility thinker”, that old Serpent, who asked, “Hath God said?”

Whether it's Dr. Phil, Oprah, People magazine, radio talk show hosts, psychologists, counselors, etc., we must understand one thing. When they contradict God's word, they are the purveyor's of ungodly counsel.

And no matter how nice and sweet they may sound when they give their counsel, it is still UNGODLY if it is not according to God's word.

Be blessed!

THE ANGEL OF THE LORD IS JESUS CHRIST

Our message on, “The Angel of the Lord,” has had a tremendous response with listeners. We spent nearly 45 minutes reading several references to the Angel of the Lord in order to identify this “messenger” sent by God.

The Old Testament remains a boring drag for most people that we talk to. But this is only the case because they are reading without required discernment and knowledge. When the Bible Believer reads God's word and handles it as God's word (and not some

man-made, uninspired novel), you will begin to see things that make it come alive.

Jesus is everywhere in the Old Testament, in person and in type. Get this message and get addicted to God's Book!!

"Who Did Cain Marry?"*(Continued from page 1)*

ried a third of fourth cousin. And that's not even considered illegal or improper today!

And even if Cain had married someone more closely related, it's a mute point. Marrying close relatives was not outlawed by God for a couple of thousand years after Cain, when He gave the law to Moses (Deuteronomy 27:22). And let's not forget that Cain was a lawbreaker. It's very unlikely he CARED what was right or wrong. Cain wanted a wife and children and there is little doubt that this lying murderer would have gotten what he wanted, one way or another.

HITACHI ANNOUNCES NEW CHIP: THE SIZE OF A GRAIN OF SALT

Brother Mike Kahler sent us the story and photo of the latest step toward the Mark of the Beast.

Hitachi announced a new powder chip that is 64 times smaller than the "previous record holder". Engadget's on-line report says that even though it is as tiny as a grain of salt, it holds a, "128-bit ROM that can store a unique 38-digit ID number."

No doubt, making it very likely to have a three-numeric "check digit" that will consist of three sixes: 666.

Engadget's headline exclaims

that this new technology, "freaks us the heck out." And, if the author is unsaved, it SHOULD!

But, as born again Bible Believers, we simply look up!

"And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh." Luke 21:28

We're not freaked out. We're EXCITED.

The stage is being SET. The world is being PREPARED. This is absolutely thrilling!!

The Preterist, A-millennial, Postmillennial crowds join the unbelievers and scoffers of the world in mocking us for what they call "headline theology", but they are exactly like the Pharisees who could see the signs in the sky and discern the weather, but couldn't discern the signs of the times.

**MARDI GRAS: A GREAT PLACE FOR STREET PREACHERS**

It's that time of year again, when we are reminded as to just exactly why God allowed Katrina to blow New Orleans back into the 19th century: **Mardi Gras**.

The streets are filled with proud, rebellious fornicators of all stripes. Drunkards will be allowed to urinate all over town and stagger about with

reckless abandon. Underage girls will be fully intoxicated and duly unclothed.

The only bad guys in town are the cops who dare attempt to maintain law and order. Mardi Gras is simply a sign of the times.

Jesus is coming soon. As you watch the news (glorifying this debauchery),

remember Jesus said, "And as it was in the days of Noe, so shall it be also in the days of the Son of man." (Luke 17:26 kjv)

And Genesis 6:5 says of those days, "And GOD saw that the wickedness of man [was] great in the earth, and [that] every imagination of the thoughts of his heart [was] only evil continually."

Pray for the Bible Believers who brave the tide of evil to present the Gospel.

"Do not prostitute thy daughter, to cause her to be a whore; lest the land fall to whoredom, and the land become full of wickedness."

DEMON-POSSESSED LIARS & HYPOCRITES

The Israeli government is attempting to repair a pedestrian walkway near the Temple Mount. Unlike Muslim governments who have trashed and wasted unbelievable amounts of archaeological and historical finds in order to destroy evidence of Jewish and Christian history in the holy land, the government of Israel sent archaeologists in to inspect the site before further construction.

In 2004, a small room that could possibly have been a small prayer room used by a Muslim religious school in the past was unearthed. An Israeli archaeologist recently discussed the find, but cautioned that the facts were still not in.

That never stopped a good follower of Muhammad from rioting.

So, all over the world are hypocrites and liars who find time between their prayers toward Mecca to a pagan moon god named Allah to condemn Israel. Why? Has Israel destroyed the evidence? No. Are the archaeologists trying to cover up something? Obviously not, or they wouldn't be talking to the press about it all!!

In the meantime, AP reports

and various other sources for this story continue to FAIL to mention that Muslims have been destroying evidence of Jewish and Christian history on the Temple Mount, in Bethlehem and elsewhere.

If God does not act beforehand, the only time we will see this demonic religion put to rest is when it is finally destroyed in the Great Tribulation period.

GOREBAL WARMING: THE SKY IS FALLING

I spent 90 minutes watching Al Gore's documentary, "An Inconvenient Truth." I got it for a buck at the local video store. I'm glad I only paid a buck.

I would guess that nearly two-thirds of this movie involves tear-jerking personal sketches of Al Gore. You see his family farm in Tennessee while hearing an admission that Gore's family grew tobacco and played a part in killing his sister who smoked (*and evidently was unaware that it was bad for her, therefore implicating her tobacco-farming family*). What this has to do with Gorebal, er, I mean Global Warming, I have no idea.

If you waste the time watching, you will meet the professor who brain-washed Gore during his college days and turned him into an environmental whack-job. But, you also get to hear George Bush Sr. describe Gore in a campaign speech by saying, "This guy's crazy!!" That was a priceless moment in the film.

It takes an hour to get to the real issue. As far as I am concerned, Global Warming is a reality. It's followed by Global Cooling. That, in turn, is followed by Global Warming. It's been going on since Eve ate the forbidden fruit. It's a natural result of the Curse.

So, the first hour of "An Inconvenient Truth," shows the stats that demonstrate this constant natural trend. What I wanted to see is what I have never seen and that is just exactly how it is that MAN is to blame and how it is that MAN can change things.

The final thirty minutes were supposed to prove that we are to blame. I remain unconvinced.

At one point, Gore cites stats that appear to show that America is the culprit of global warming. But what you must see is that those stats are on a PER CAPITA basis. But the cold

hard fact is that nations like China and India put out more gunk than anyone.

The atmosphere couldn't give a rip about "per capita statistics". That's smoke and mirror propaganda in raw form. All of this nonsense has been debunked. For more facts, visit the following link for the Petition Project: www.oism.org/pproject

Global Warming is the beginning of sorrow. A sign that God's judgment on the world is impending. Matthew 24.

JESUS WAS A MEANIE

I just love the letters we get from backslidden, lukewarm evangelicals, complaining that we're "too dogmatic" and "give Christianity a bad name" because we're not a part of the last days apostasy.

You can rest assured that

most of their letters are void of the Bible and, even when they make an attempt at tossing in a Bible verse to attack us or defend their own lukewarmness, it's nearly always a queer bible (the NIV) or some other Satanic piece of clap trap like "the mes-

sage" or "new living translation".

I don't answer many of these letters. Delete.

I spend my time dealing with the lost and with the hungry believer. Lost souls who need to hear the Gospel of Jesus Christ and saved souls who hunger for the word of God.

As Jesus said, "Give not that which is holy unto the dogs, neither cast ye your pearls before swine, lest they trample them under their feet, and turn again and rend you."

"Give not that which is holy unto the dogs, neither cast ye your pearls before swine, lest they trample them under their feet, and turn again and rend you."

ORDER CD MESSAGES

We have distributed hundreds of CD sermons (some including music) on a freewill offering basis and will continue this practice.

Some have asked us how much these cost us, so that they can cover costs. As an FYI, we are providing that information:

It costs us right at \$2 to pro-

duce a CD with a paper cover.

It costs us an additional \$2 of shipping and handling for a single CD to be mailed. So that would be \$2 per message and a total of \$4 to have it mailed. Add \$3 per additional CD, if mailed under the same cover. And feel free to copy and distribute freely to those who ask.

The most recent messages

available include:

- Matthew 16:1-20
- Matthew 16:21-28
- "The Angel of the Lord"
- "Limbo (Soul Sleep): Where Do Christians Go When They Die?"

CHURCH HISTORY DOCUMENTARY PROJECT

Most modern evangelical historians are anointed with the spirit of stupid.

In an effort to combat the stupidity and, in most cases, evident dishonesty, Bible Believers Fellowship is producing a documentary to be offered on the internet and on DVD.

The title of the documentary is, "Blood and Fire." We are in early production but hope to have this project done by summer of this year (2007).

This work will be subtitled, "Exposing the Assault on Bible Believers from Creation to the Second Coming of Jesus Christ." We intend on demonstrating that Satan has hated and attacked all non-conformist, independent, autonomous Bible Believers

from the martyrdom of Abel, right up to the slaughter of Tribulation Saints, only a few years from now.

Our attitude toward most evangelical historians stems from their stated mode of operation. For example, they admit that they know that Rome hunted down "heretics". They know that Rome murdered every man, woman and child they found in the ranks of the heretics. They know that Rome burnt their churches, Bibles, hymnals, books and other writings. They even know that Rome sought out ANY documentation that showed heretics in a positive light and destroyed it.

About eighty Waldensians burned in Strasbourg, AD 1215

Waldensians being burned in 1215: 18th century works by Jan Luyken appearing in, "Blood and Fire."

Yet, these historians say that we cannot give the "heretics" a place at the table in "church" history because we don't have enough firsthand documented evidence!!

Can you imagine being that stupid? And being considered a "scholar"???

Well, that's the garbage being spoon-fed to most Christians, whether they are in a Christian college, seminary, Sunday School or reading books, watching DVD's etc. And that is what we will be combating with all of our might.

We are planning to post a "trailer" sometime soon and will let you know when you can view this on our web sites. In the meantime, we ask that you pray that God will have His hand on this project as we declare the truth and point the world to Jesus Christ: His Book, His Blood and the Blessed Hope of His return.
